

# Show-and-Tell Superstar!

Talk about something you love, like a star

Pick one special thing you love. Draw it or tape a photo in the box, then practice your three sentences out loud. Ready? You've got this!

## Draw or tape your thing here

## Say these 3 things

1. **What is it?** "This is my \_\_\_\_\_."
2. **Why do you love it?** "I love it because \_\_\_\_\_."
3. **Fun fact or story.** "One time, \_\_\_\_\_."

## Be a star with your voice and body!

### Big Voice

So everyone can hear

### Look at Eyes

Not the floor

### Big Smile

Show you're happy

Color a star each time you practice!

**Parent tip:** Let your little one practice on you first, twice. Clap and cheer. Early wins with a friendly audience are how confident speakers begin.
